The Best Of Houzz is awarded annually in three categories: Design, Customer Service and Photography. Design award winners' work was the most popular among the more than 40 million monthly users on Houzz. Customer Service honours are based on several factors, including the number and quality of client reviews a professional received in 2018. Architecture and interior design photographers whose images were most popular are recognised with the Photography award.

A “Best Of Houzz 2019” badge will appear on winners’ profiles, as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“Innovative design and finishes are at the very heart of everything we do. Our interiors and architectural background, combined with our creative flair and manufacturing expertise, enable our team of master cabinet makers to integrate the latest cutting-edge technologies and finishes into our furniture. Be that a timeless shaker style or contemporary metallic patina.”

“Best of Houzz is a true badge of honour as it is awarded by our community of homeowners, those who are hiring design, renovation and other home improvement professionals for their projects,” said Marcus Hartwall, Managing Director of Houzz UK and Ireland. “We are excited to celebrate the 2019 winners chosen by our community as their favourites for home design and customer experience, and to highlight those winners on the Houzz website and app.”
