# EXQUISITELY HAND CRAFTED

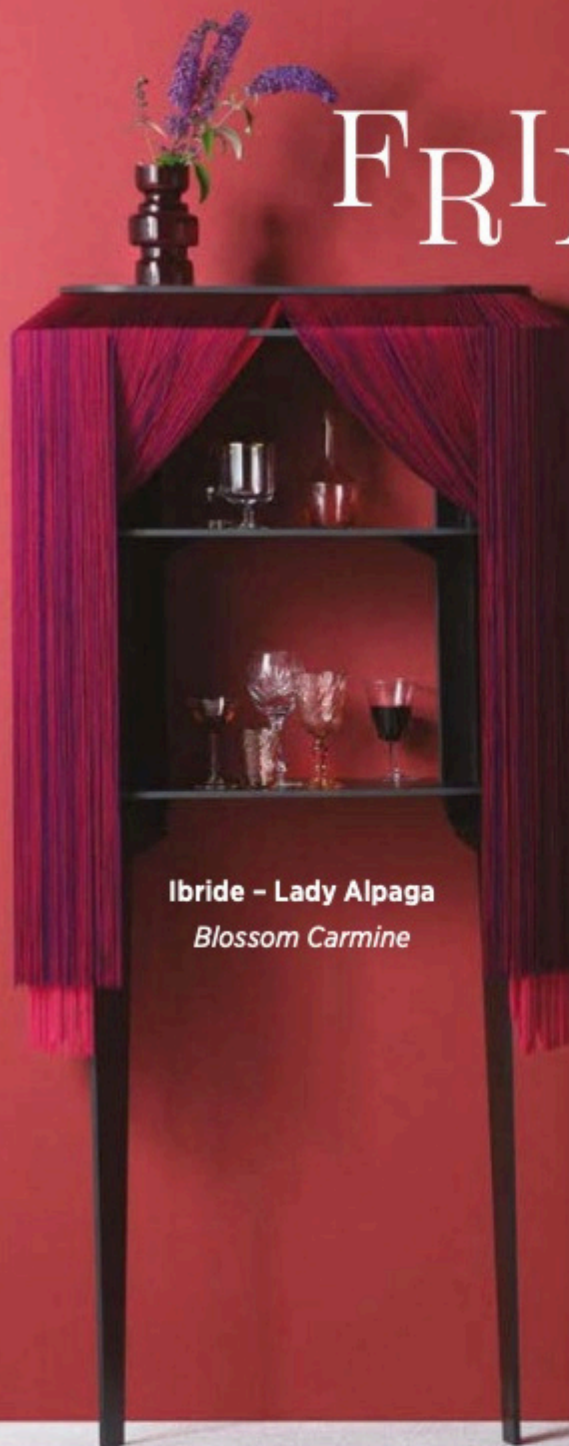

» Embracing the trend of home entertainment, there's a rising demand for bespoke home bars.

Drawing from expertise in crafting commercial bars, Hux uses various materials like veneer, stone, antique mirror, metals, and crackle-glazed tile. Whether it's a discreet armoire or a full-fledged bar with seating, Hux tailors each bar to the client's preferences. With skilled designers and craftsmen, they ensure every bar is a unique addition to any home.

## FRINGED FIND

**Ibide - Lady Alpaga**  
*Blossom Carmine*

« Discover the Alpaga drinks cabinet, a creation by designers Rachel & Benoît Convers. Its fringed exterior, crafted from high-pressure laminate and viscose, is mysterious and elegant.

Made in France, each detail invites touch and exploration, beckoning to uncover the hidden treasures within. From its silky coat

to the concealed secrets, this Ibide creation promises to elevate any space, with its craftsmanship, and the joy of gathering.
