IT'S A DOG'S LIFE

Tales & Treats has announced the launch of a new line of dog-inspired candles. Celebrating the UK's most loved dog breeds these candles are set to become a popular addition to every pet lover's home.

Every candle is lovingly hand-poured in the UK, ensuring a personal touch and superior quality. Their fragrances and waxes consist of plant-based ingredients sustainably grown and sourced as well as being vegan, cruelty-free and PETA-approved, reflecting a commitment to ethical and sustainable practices. **Curly Cuddles – poodle mix, £12, talesandtreats.co.uk**

SLEEK SUSTAINABILITY

Pyrex's new zero plastic three-in-one glass storage range is the perfect solution for eco-conscious consumers seeking to reduce food waste and embrace sustainable living. These high-quality glass dishes come with matching glass lids, ensuring durability, safety, and a completely plastic-free experience.

Sustainability has become increasingly paramount in today's world, with consumers seeking practical solutions to reduce food waste and embrace mindful consumption. At the forefront of this movement is Pyrex, a trusted name renowned for its commitment to excellence in cookware. With a rich legacy, spanning decades, Pyrex has continuously evolved to meet the ever-changing needs of modern households, offering a range of products that seamlessly blend functionality with sustainability.

Set of four food storage dishes, £65, pyrex.co.uk

Bespoke kitchen storage

In either a small or more spacious kitchen, a kitchen pantry is often at the top of a homeowner's wishlist. Integrating a kitchen pantry into the design and palette of a kitchen provides invaluable storage space, keeping the kitchen efficient and streamline while not compromising style and adding aesthetic value. Made-to-measure units and bespoke pantry cupboards incorporate extra storage seamlessly into a kitchen, minimising clutter on the worktops and providing ample storage for a kitchen of any size.
